WITH NEW ALL-INCLUSIVE PRICING PLUS A WAIVED COMMUNITY FEE!

At Bethesda Gardens Arlington, we recognize that a new phase in life can be a leap of faith—for you and your family. To make this transition easier, we are moving to an all-inclusive fee structure. That means even as a resident's care needs increase, their monthly fee stays the same. We are also waiving the community fee for a combined savings of up to \$8,000! Residents and their families can take comfort knowing they never have to pay extra for the help they need. Our compassionate team offers personalized care 24 hours a day in a warm, welcoming community with vibrant social spaces and touches of home.
